After Hurricane Wilma,
what our clients said...

"After Hurricane Wilma devastated our neighborhood, my roof was still perfect. I didn't lose a single tile."

Don Godshall
Davie, Florida

"5 years ago I got your roof shield system. Not a leak since. I made it through the hurricanes without a broken tile."

Gus Irizarry
Pompano Beach, Florida

This picture says it all!

*Preserves your shingles;
designed to last for years.*

Our system has assisted home owners in obtaining insurance coverage without the usual required replacement, saved thousands on losses due to storm damage and reduced their rates.

*Save your barrel tiles
from wind and storm damage.*

All Surface Restorations & Preservations Inc. has been in the roof cleaning, restoration and waterproofing business for over the past 12 years serving the South Florida commercial and residential markets.

The proven **Roof Shield system** immediately stops existing leaks and permanently prevents future leaks from occurring, as well as completely weatherproofing your entire roof from hurricane force winds and water damage.

*Transform your cement tile roof
to our seamless coating system.*

We are the manufacturer of our own state-of-the-art "**Roof Protect**" premium high performance liquid acrylic coating and the exclusive contractor for our proprietary complete **Roof Shield system**. Broward County, FL. Manufacturing License # 270-000-262
